

## Call for Papers

Authors are invited to submit individual contributions for regular papers in any of the conference topics. The topics of interest include, but are not limited to:

- Designing multimedia (MM) for teaching and/or learning physics and science in general.
- MM for the teaching and learning process.
- Remote laboratories and MM experiments.
- Integration of MM materials in physics teaching and/or learning.
- Learning Management Systems in physics education.
- E-learning and distance learning.
- Computer-controlled apparatus: on-line computer measurements and remote labs.
- Animation and symbolic representation.
- Movie and video: role in education and support into empirical research.
- Augmented reality uses in MM experiments.

All papers proposals (abstracts of the conference paper, not longer than 400 words) should be submitted electronically through EasyChair submission web-site (to be open soon; see important dates): <https://www.easychair.org/conferences/?conf=mptl18>

All submissions must be written in English, and only PDF files are accepted.

Accepted and presented papers will be published in electronic proceedings. Selected papers will be also published in printed book of proceedings with ISBN.

### Program Committee

Wolfgang Christian, Davidson College, USA.

Ewa Debowska, Wroclaw Univ., Poland.

Sebastián Dormido, Spanish Open Univ. (UNED), Spain.

Francisco Esquembre, Univ. of Murcia, Spain.

Sonja Feiner-Valkier, Univ. of Eindhoven, The Netherlands.

Raimund Girwidz, Univ. of Ludwogsburg, Germany.

Bruce Mason, Univ. of Oklahoma, USA.

Leopold Mathelitsch, Univ. of Graz, Austria.

Marisa Michelini, Univ. of Udine, Italy.

Franz Schauer, Thomas Bata Univ., Czech Republic.

### Important dates and registration fees

**March 1, 2013** - Open submission web-site

**May 15, 2013** - Deadline for abstract submission

**June 15, 2013** - Notification of acceptance/rejection

**September 11-13, 2013** - The event

**After the event (to be announced)** - Final paper submission

**European Physical Society**  
Physics Education Division

Registration	Before June 30	After June 30
Individual Ordinary Members of EPS	180 EUR	250 EUR
Members of National Societies	180 EUR	250 EUR
Non-Members	230 EUR	300 EUR
Students	100 EUR	120 EUR
